Aims and Objectives

At the preschool we believe in.....

- A warm welcome for all.
- Providing a home from home atmosphere and maintaining a stimulating and safe environment at all times.
- Working in partnership with parents and carers who know their child best.
- Welcoming parents and carers participation and involvement in preschool life.
- Enabling children to build safe, secure relationships with other children and trusted adults.
- Children learning through play to develop their full potential.
- Encouraging self confidence and independence.
- Actively promoting the equality and inclusion of each child and their family.

- Always following the foundation stage and birth to three of the national curriculum
